Film Screening & Discussion:

Resilience

Join a screening and discussion of *Resilience: Biology of Stress & the Science of Hope*, a one-hour documentary on the science of Adverse Childhood Experiences (ACEs) and the birth of a new movement to treat and prevent toxic stress. Explore how resilience can be supported and strengthened and how our community can respond.

The facilitators will be Dr. Andrew Bell, Program Director, Westchester County Department of Community Mental Health, and Elena Falcone, Director of Public Innovation and Engagement of the Westchester Library System.
