

COVID-19 Vaccine Information

Attention Pound Ridge Seniors:

Updated March 6, 2021 5:00 PM

1. We have our very own Pound Ridge “Vaccine Angel”! If you need help finding an appointment, contact Neighbor to Neighbor Volunteer Tiffany Snadowsky and she will try her best to help you out.

2. Local CVS’s (including Katonah) have received the vaccine. Check there web site often for available appointments. www.CVS.com
3. Caremount Medical has received a supply. They will be contacting their patients who are eligible to schedule appointments. They request that you DO NOT contact them.
4. Northern Westchester Hospital has started receiving more supply. Check their Web site for availability.

5. Homebound seniors List: I have received clarification from Westchester County that this list is ONLY for those who cannot leave their home except in an ambulette type vehicle. All others need to plan on going to one of the State run sites or private run sites (Pharmacies, hospitals, etc). Even if you are homebound and have asked me to put you on the list, you need to continue looking for other options. I do not see any progress from Westchester County on this effort so it may not happen for a long time.
